Can belay effectively for a lead climber			
Has read and understood wall rules and conditions of use*			
Is aware of problems that may arise*			
Knows what to do in an emergency*			

*These assessments are minimum requirements for bouldering

Parent/Guardian Consent

I recognise that climbing is a potentially dangerous activity, I have/have not visited the centre and I give consent for the above named 14-17 year old to climb unsupervised in the centre after a successful completion of a personal competence assessment.

I understand children will belay children.

Please note that the ability to climb on an indoor wall does not imply that the climber will be competent to climb any natural rock environment.

Parent/Guardian Details

Name	Date of Birth
Address	
Postcode	Telephone No.
Relationship	
Signature	Date

By ticking this box I confirm that I am either a) the child's parent and/or legal guardian or b) I am not the child's parent and/or legal guardian but do have the child's parent and/or legal guardian's permission to act in loco parentis.

Participation Statement "The British Mountaineering Council (BMC) recognises that climbing and mountaineering are activities with a danger of personal injury or death. Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement."
